REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Wilmot:

Compared with the previous year the average school membership showed a loss of over 18 per cent, chiefly noticeable in the Center school. The regularity of attendance in all schools was again highly commendable. In three of the schools there was a substantial gain in the percents of promotion. The Langley school even improved its excellent record of the previous year by a further reduction of the number of tardinesses per pupil. The Flat school alone showed an unwarranted number of tardinesses.

Computed on the average school membership, which was fifteen pupils less than in the previous year, the per pupil cost (\$78.50) for maintenance of elementary schools—excluding the payment of elementary tuitions—in 1927-28 was \$14.68 higher than the per pupil cost of the previous year.

The total current cost per thousand dollars of Wilmot's equalized valuation in 1927-28 was \$14.17; and was distributed as follows, local cost of elementary schools \$5.44, state aid for elementary schools \$4.78, local payment of high school and academy tuitions \$2.66, other current expenses \$1.29.

For the same period the average salary of teachers in Wilmot was \$825 against the average in the state of \$850 in rural schools, and \$950 in village schools.

The following class of eight pupils was graduated from the eighth grade: Caesar Bertagna, Lucy Currier, Ellsworth Dean, Adelma Lajoie, Edith Prescott, Stella Sargent, Warren Saunders, Lydia Woodward.

There are this year in attendance in approved high schools and academies eighteen pupils entitled to tuitions paid by Wilmot.

Honor Roll of Attendance

36 weeks (entire year): Adelma Lajoie, Edith Prescott, John Rayno.

27 weeks: William Barton, Priscilla Davenport, Donzella Keniston, Floyd Mihill, Fred Peters.

18 weeks: Leo Barton, Felix Bertagna, John Keniston, Frank Langley, Laurence Leavitt, Arlene Sawyer.

9 weeks: Audrey Atwood, Edward Barton, Albert Bertagna, Caesar Bertagna, Bernice Crouse, Gordon Crouse, Lucy Currier, Clara Dean, Nettie Dean, Clay Egeleston, Sara Egeleston, Ralph Gove, Alice Lajoie, Harry Lorton, Margaret Lyford, Susan Lyford, Charles Morgan, Walter Prescott, Hazel Rayno, Sidney Sargent,

Stella Sargent, Channing Sawyer, Janice Sawyer, Lydia Woodward.

Organization

The present year opened with a complete change in the corps of teachers. To maintain the standard of instruction and to increase the allotment of financial aid received from the state it has been the purpose to fill vacancies with teachers who hold a normal school diploma or its equivalent.

Mrs. Theresa H. Atwood, who—previous to two years service in the Grafton Center school—had taught the Stearns and Langley schools of Wilmot, was elected teacher of the Wilmot Center school. Mrs. Atwood has completed five summer sessions in the normal schools of Keene and Plymouth, and has had over six years experience as a teacher.

Mrs. Mildred Day Abbott of Woodsville, N. H., was chosen to fill the vacancy in the Flat school, succeeding Miss Flanders who accepted a position in the primary grades. Mrs. Abbott is a graduate of Plymouth Normal School in the Class of 1924 and brings to her work in Wilmot several years of successful experience as a rural school teacher.

For the purpose of completing her normal school course Miss Hazen withdrew in June as teacher of the Langley school. Her position was filled by Miss Ruth E. Sebra of Andover, N. H. Miss Sebra fitted for normal school at Proctor Academy and was graduated from Plymouth in the Class of 1928.

The position, made vacant in the North Road school by the withdrawal of Miss Annie Langley, was taken by Miss Elizabeth J. Hounsell of Conway, N. H. Miss Hounsell was graduated from Plymouth Normal School in 1923. Her recent experience in teaching includes two years in South Danbury.

Medical Inspection

In November and December, 1928, Dr. William P. Clough, M. D., of New London made his second medical inspection. While the number of pupils examined was larger than last year, the total number of defects was found to be 20 per cent less, and the number of corrective treatments 80 per cent more than reported a year ago. In proportion to the membership of the school, the best record for corrective treatments was found at North Road. Here, with one exception, all dental defects had been corrected.

The examiner's report by schools follows.

School	Center	Flat	Langley	North Road	Total
No. of pupils examined	25	31	17	8	81
No. of teachers examined	1	1		1	3
Underweight 10%	4	4	2	1	11
Defective vision	2	3	2	1	8
Nervous condition		1			1
Deformity	2				2
Defective teeth	15	23	11	1	50
Defective breathing	2		2		4

Enlarged glands	1	1			2
Total defects found	32	46	22	6	106
Corrective treatments secured	9	14	7	7	37

In Conclusion

It is gratifying to observe the distinct improvement through home cooperation in the physical welfare of numerous pupils. The interest and assistance of the parents in developing in pupils correct citizenship habits, where delinquencies have been reported, is appreciated.

I commend particularly your corps of teachers whose interests are one and the same with the best interests of their pupils.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.
